

Telephone Number Porting

PLEASE COMPLETE THIS FORM FULLY AND ACCURATELY; THE PORTING PROCESS IS VERY FUSSY AND THE LOSING PROVIDER WILL REJECT YOUR PORT IF IT CONTAINS ERRORS. READ THE NOTES BELOW, BUT IF IN DOUBT, PLEASE CALL US ON 020 7043 5555

Current Provider Information	
Account Number	
Customer Name (if shown on bill)	
Company Name (if shown on bill)	
Original Installation Address	
Town / City	
County	
Post Code	
Main Billing Telephone Number	
Telephone number(s) to be ported	
How many other numbers are associated with the number(s) you are porting	
Line Type	Single / Multi
Does this line currently have broadband?	Yes, and I understand that porting will cease the broadband. No, broadband is unrelated to any numbers on this form.
Does the line have an alarm or security monitoring service?	No, there are no alarm-type devices which need this line. Yes, I will have this removed from the line (and/or transferred to another line) before I submit this porting request.
Porting Date Required:	
Date	
Time	

Voipfone Account Information	
Do you want the number to be used as a voice number or a fax to email number?	Voice / Fax
Voipfone Account Number (8 Digits, Starting with 3)	
When complete please email or fax to porting@voipfone.co.uk or 020 7043 5556	
Please note: In the case of landline numbers, when you port your number to us your line will cease on the day of the transfer. If that line also had a broadband service on it, it will also cease (and you may be still liable for the remainder of the contract).
